Friend of my better days!
None knew thee but to love thee,
Nor named thee but to praise.

The Juniors of

Medina High School

We, the members of the Junior Class, present this MEDINIAN of 1947 especially to you, the Seniors, who must now face reality, also to the successful, confident Sophomores, to the bewildered and frustrated Freshmen, and to all its readers in the hope that it brings you all many pleasant memories of M. H. S.; memories of the odorous chemistry lab, the trying typing class, the noisy industrial arts room, and the good-smelling home economics kitchen; of the parties and dances, the friends you have won, the exams for which you crammed, and the confidence which you gained during your high school days.

Miss Florence Hitzelberger

This year's **Medinian** is dedicated to

MISS FLORENCE HITZELBERGER

who for four years has cheerfully and patiently guided our steps through Spanish. For two consecutive years she has been in complete charge of our school annual and her sound advice and helpful guidance have been a contributing factor to its success. We hope all future junior classes will have the same kind of competent advice that she has given to us. Accept our grateful thanks, Miss Hitzelberger.

The Class Prophecy

ON SATURDAY EVENING at Hocus Pocus Hall in Presto, Ohio, the Annual Magicians' Banquet was held. The affair is sponsored annually by the Magicians' Union and proceeds this year will be donated to the Appelgate Insane Asylum.

Throughout the evening Robert "Houdini" Werley, world famous magician, acted as master of ceremonies. The highlight of the occasion was when Werley presented a thousand-dollar bill to President Appelgate who attended the banquet with head matron of the asylum, Shirley Sprankle.

After dinner entertainment was provided by masters of magic. Magician John Keefer tied Dolores Mellert in a knot; Robert Fields put Hazel Crum through the eye of a needle. Tom Sabo startled everyone by turning Anne Dornbirer inside out. Miss Lois Abell was changed into a pint bottle of Elm Farm milk by Gordon Cornell.

Some of the most distinguished guests present at the celebration were Coach "Bunny" Spencer of Utopia University and his star gridiron players—Earl Koppes, Eddie Oravecz, Joe Campbell, and Joe Sviatko. Utopia U's champion cheerleader, Ray "Cutie-face" Denson, came with track star Alan Oblak and champ baseball pitcher Mike Klimko.

Diplomatic heads such as Newtcavich "Zed" Davisowsky from the Ukraine and Dale Neel from Lower Slabovia were among the more famous guests. Arkansas'only woman senator, Adeline Frantz, came with her secretaries, Marguerite Halblaub and Lenore Tomes. U. S. Attorney-General Jane Wilson stayed only a short while. Then she was flown back to Washington by her private pilot, Mary Lou Miller, so that she could attend an important meeting with Spanish Ambassador Senorita Donna Brubaker and Secretary of Agriculture Jay Barber.

Editor of the **Biannual Bulletin,** William R. Clark III, attended the festival with feature editor Janice Carlton and gossip columnist Helen Barsic.

Norman Gilsdorf, owner of the Amour Star Meat Company and author of that best seller, **Forever Hamburg,** arrived with poetess Lucy Lawrence.

Manager of the Flashy Frock Shoppe, Shirley Schwartz, came all the way from New York City with her most gorgeous models—Mary Jane Fanta, Margaret Kaszian, Martha Judkins, and Barbara Ridiker.

Those matinee idols from the show "Fannie Get Your Gum"—Pat Holden and Darrell Maddox—made their usual glittering entrance with swoon crooner, Ruben "The Noise" Barna, and opera star, Doreen Cogswell.

Admiral Eddie Rickard finished a voyage to the South Pole and was back just in time to attend the Magicians' Banquet. With him came that renowned duet of aviators, Bob "Propeller" Aycock and Tom "Fuselage" Huber.

Two world famous doctors, Arlayne Jones and Bev Garver, were given the honor of carving the meat. The whole meal was perfectly prepared by French master of culinary arts, Richard "Pierre" Killinger and his staff of cooks: Genevieve Wass, Esther Ring, Donald Phillip, Katherine Steidl, Ruth Jane Wolfe, and Chester Ring.

From the heart of Texas came John "Dude" Kraus, owner of the Crooked Poker Ranch, and his partner, Bertie "Spurs" Reed. Bertie sang "Home on the Range" and Laura Beat played "Boots and Saddle" on her Jew's harp

More entertainment was provided by Dick "The Blow" Reinhardt, master of the tin trumpet and his orchestra featuring vocalist Garneta Bond. In honor of the occasion the Sour Note Quintet—Dody Gott, Betty Dohanyos, Hazel Neff, Ila Williams, and Eleanor Pritchard—sang twelve verses of "That Old Black Magic".

Owner of the thriving Gayety Funeral Parlors, DeDe "Digby" Denman, gave a short after-dinner speech. With him he brought his head undertakers, Harold Grosser and Leonard Frost.

The Class Prophecy (continued)

From Tingling Brothers Circus came many star performers. A tightrope was stretched the length of the auditorium and Shorty "Surefoot" Wertz ran across it on one foot. Ginny Dague and Sue Kirkham exhibited unusual skill on a trapeze. Eleanor Pritchard stood on Herb Hach's shoulders and caught Paul Barr as he was shot from a cannon.

The famous Tripping Trio—Frank Poor, Jacob Keiper, and John Kraus—did an outstanding ballet dance.

Multimillionaire Richard Phillips, owner of the Tricky Telegraph Company, gave a farewell speech, and as the guests left Hocus Pocus Hall, the Misses Lois Kaufman, Alice Stefan, and Dolores Messenger presented each with a rabbit which "Houdini" Werley pulled from a black hat.

Football History of 1946

On August 20 the Medina Bees began their 1946 football season. About 72 boys reported for practice, counting the Rinkydinks. A week after practice started, they had a scrimmage game with Berea in which, as in most games, they were handicapped by lack of speed and size.

Fairview was the first game of the season and Medina chalked up 14 points to the visitors' 0. Although Medina made scoring threats in all quarters, it wasn't until the fourth that McDonald caught one of Spencer's passes for the first touchdown and Blataric went through for the second. In this game Dave Westland broke his leg and the victory was partially spoiled.

At the homecoming game with Strongsville Garneta Bond and her two attendants, Donna Brubaker and Shirley Schwartz, ruled over the events. Flowers were presented by Captain Bob Spencer and Garneta gave Bob the football to be used in the game.

The first half looked like an easy victory for the Bees with Weber going over for a T D, and Blataric for two more, and a point by Brubaker. The second half found Strongsville going over for a touchdown on a pass but the Bees holding most of the ground plays. Voshall went over for another score in the fourth quarter with Blataric making the extra point. Strongsville scored again on our Reserves in the last few minutes, ending the game at 26-12.

The Wellington game was probably the best game the Bees played but, although Medina rolled up 19 points in the last half the Dukes won 25-19. It would have meant the Northern Ohio championship for Medina if they could have won.

Wellington's first touchdown came on a pass but their conversion failed. Sponseller cracked through for another score and this time the kick was good.

Medina came back and moved the ball to the one-yard line and here Medina fumbled and Wellington recovered as the half ended.

The Bees came back in the second half fighting mad with Blataric smashing over tackle for a T D. Then Dague ran through tackle for 65 yards and a touchdown for Wellington. One of Hetrick's passes was intercepted at midfield and that set up another touchdown for Dague. This made the score 25-6.

Then things began to happen in Medina's favor. Brubaker and team went all out and chalked up a T D and conversion.

Again from the one-yard line Brubaker went over for a score. The game ended shortly afterwards with Medina still fighting.

Wadsworth gave Medina its worst defeat of the season. Medina made only one threat and that was in the closing minutes of the game.

Did Medina have a successful football season? The Bees won 5 and lost 4, which is not too good as scores go, but the team has improved and has gained a lot of good experience and spirit.

Rinkydinks In Action

The 1946 Rinkydinks tackled 8 games and came up with an undefeated season. Their only close game was with Massillon when they came out on top with a 13 to 12 score.

The Dinks ran up a total of 164 points, averaging 20½ points per game, while the total points of all their opponents was 46 points, averaging 5¾ points a game.

Coach Ray Thomas is proud, and rightly so, of his team, and he is sure the boys will do great things for the varsity next year and make some of the varsity veterans hustle for their positions.

The following boys will move up to varsity positions next fall: Red Horvath, center; Bill Wolfe, Doug Maitland, Ed Donahue, ends; Dick Komjati, Bob Voshall, Ray Mantz, Glenn Hendershot, backs; Jay Alexander, Bob Aikman, tackles; Buddy Diehl, Homer Webster, Ralph Halblaub, Andy Long, guards.

LOST-12 WON-4

Summing up the whole season, Medina had a pretty rough time losing 12 of the 16 games. Four of the games were very close but there were four others in which the visitors really chalked up the points. The team slowly grew better as the season progressed and it was at its peak about the middle of the year. Medina hadn't won from Amherst in 13 years and the first game with Amherst proved to be one of the best of the season when we won 46-43. The Reserves seemed to have a somewhat better average with 7 wins and 9 defeats. The Rinkydinks have won 12 games and lost 7.

Homecoming

Sponsored by Student Council

Garneta Bond

Exciting was the word for Medina's homecoming night on October 18. Medina won a strong victory over Strongsville 26-12, which made the team's queen, Garneta Bond, very proud of the team who chose her.

Preceding the game was a thrilling moment for all when Garneta and her attendants, Shirley Schwartz and Donna Brubaker, were driven in a blue convertible around to the stadium. The band paid its tribute to Garneta by forming a "Neta" on the field. The team's lovely queen extended her gratitude for the honor and wished the team on to victory.

Captain Bob Spencer was handed the football and the game was begun.

After the game a dance was held in the brightly decorated high school auditorium. Garneta received her crown and all enjoyed the music of the Stardusters.

A wonderful homecoming ended at eleven-thirty when the dance came to a close.

The Girls' Leaders Club is a very active group. To be a member a girl must have no grade lower than C plus and have an average of B or above in all classes. Besides having their own gym period on Thursday the sixth period, the girls have meetings every second and fourth Tuesdays after school. There are twenty-five members this year who have charge of the gym classes, referee, and collect the Red Cross money at the theater in the spring. This is the fifth year for Girls' Leaders at Medina High School and as special projects they sent Christmas cards to the County Home and served for the Football Banquet at the Masonic Temple on January 14th.

Activities

Meetings are held on the first and third Tuesdays of every month. The purpose of the club is to interest more girls in athletic activities, and to promote better sportsmanship. The girls participate in sports of all types, including bowling, overnight hikes, roller and ice skating, and an occasional swim in B.-W.'s pool. Every Thursday at 6:30 A.M. the girls meet for an invigorating morning mixer. Basketball and bowling pins are awarded to those girls who are on the all-star teams. Letters are also awarded to those girls who have earned 1,500 points. So many points are given to each girl depending on the number of activities in which she participates. A much desired achievement is the senior award pin, which is awarded to girls who have 2,500 points.

Other activities, such as the trip to the "Ice Capades", are greatly enjoyed. The outstanding highlight of the G.A.A. is sponsoring the big fall football banquet.

A broad knowledge of sports is a valuable asset to a girl's personality, and such a knowledge can be obtained in this club. Much of the club's success should be attributed to Miss Allen, the adviser.

Everyone enjoys Girl Reserves or Y-Teens, as the club throughout the nation was named this year. The purpose of Y-Teens is to link high school girls with the activities of the Y. W. C. A. Miss Mary Howey, our new Y. W. C. A. secretary, has taken a great interest in the club this year.

Many activities have been planned for the Senior Y-Teens this year, such as the Mother-Daughter Tea, making of candles for European relief, and the talks by European war brides about the conditions which exist in their own countries. Meetings are held at the "Y" house on the second and fourth Thursdays of each month. Miss Clift, the faculty adviser, spends much time working with the girls.

The Freshmen and Sophomore girls under the capable leadership of Miss Ehler have enjoyed a busy and worthwhile year. Their meetings are held on alternate Wednesdays at the "Y" house. This group of Y-Teens planned a Dads' Night, a hayride and potluck suppers. Together with the senior club they sponsored a formal dance. Some of its members are active in the ring group, an organization in which members work to earn the cherished Y-Teen ring.

Miss Marilyn Peterson was the faculty adviser for the second half of the year.

The meetings of the Hi-Y this past year took place on every other Monday. At these meetings the boys discussed important business matters and made plans for future parties and dances.

One of the projects of the Hi-Y boys was the starting of a Junior Hi-Y for the boys of the lower grades. They also had charge of decorating the park at Christmas time.

Mr. Insprucker and President Ray Auker made a trip to Columbus in the fall for the purpose of attending the Ohio-West Virginia Hi-Y Conference. At this conference they learned different ways to carry on their Hi-Y meetings at home, and how to plan for hayrides, dances, and other parties.

ACTIVITIES

The aim of the Future Farmers of America is to make better and larger farms in the future, through education. They have been working very hard this year with that thought in mind. Their meetings were held on the second and fourth Thursday of every month and at each meeting they had a different speaker. From these speakers they learned much about scientific farming, the raising of poultry and cattle, etc.

Each boy in the F. F. A. has a project. These projects consist of raising steers, heifers, or poultry. The object of these projects is to make money, but at the same time, to learn to care for livestock.

The boys made a trip to the Wooster Experimental Station in the fall, and had their own F. F. A. Banquet just after Christmas vacation was over in January.

A Medinamite Is Born . . .

. . . And Enjoyed By The Staff

The Medinamite is our very good school paper. It is a much more expensive project than most people realize. It costs about $800 a year and is financed by subscriptions and single copies sold to the student body, money obtained through advertisements, and the sale of football programs.

The editorial staff is elected by the journalism class and makes all assignments.

The material is sent to the **Sentinel** to be printed. The proofs are sent back and read. The dummy is then made up and sent back to the Sentinel for the final printing of the paper.

The Photography Club plays a very important part in the make-up of the paper. It provided all the pictures for the paper this year and did a very excellent job.

This is the seventh year of the Medinamite and it has steadily grown better. It is now a member of the National Scholastic Press Association and is certainly holding up to its standards.

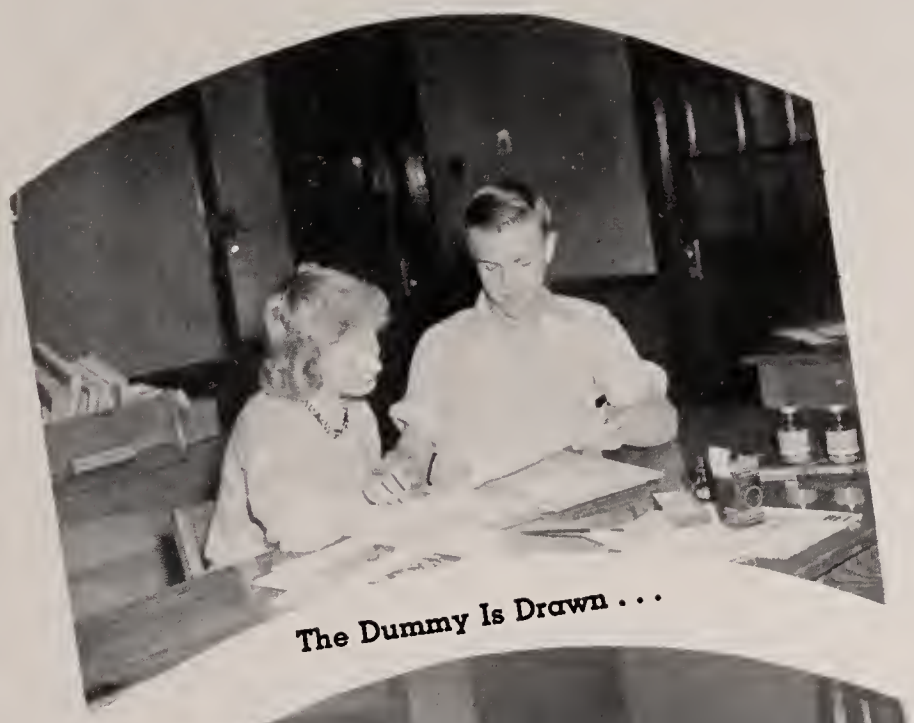
The Medinian



The Dummy Is Drawn . . .

. . . And The Annual Completed

The Medinian is published for the senior class each year. This book has a value of almost five dollars, although it sells for two dollars. The rest of this production cost is made up by the selling of magazines and advertisements.

After the signing of the contract with the printer, the art and editorial staff meet to make up the miniature dummy.

Each year Mr. Davis from Massillon, takes many of the pictures for the book, but the photography editor still has a big job to complete the photography work that goes into its pages.

The staff has to meet a March first deadline, after which the proof reading, cutting, and pasting are done. The blueprints are then completed so that the book may be finished for distribution in May by the circulation staff.

Junior-Senior Banquet and Prom

BEVERLY GARVER

Memories of high school events are many in number, but never will one be so vivid as the memory of the 1947 Junior-Senior banquet and prom.

The banquet took place on February 22, and on that Saturday night everyone received his fill of good food. After this the prom was held at the K. of P. Hall. Boys and girls whirled gaily to the rhythm of Jack Thomas' orchestra. After the third dance a lovely young lady was crowned queen of the prom. This honor went to Bev Garver, a senior who graciously led the grand march.

Everyone was clowning around and perhaps this was due to the circus theme which was used for the prom and banquet decorations. The K. of P. Hall was cleverly fixed to look like a Big Top. The banquet and prom may be claimed the most exciting event of the year.

A dozen eggs are mighty delicious in many ways—but a dozen lovely singing girls! Yummy! In the Choralettes twelve voices blend together in harmonious melody which has enchanted many. No instrument is needed to direct them, just the directing hand of Mr. Plank. True enough about the Choralettes—"Look what Ziegfeld missed!"

Medina High School's Harmonaires include four well-voiced young boys. Songs by the Harmonaires are always enjoyed by their listeners. Also they look as bright as Christmas in their bright red shirts with dazzling yellow ties. Who wants Sinatra, Haymes, Como, or Crosby when the Harmonaires are within melody distance? The activities of the concert band are many and varied. Its members gladly forfeit their noon hour for regular rehearsals. In addition to playing for school assemblies and programs, the band furnishes music for community activities.

Cecil W. Munk of Baldwin Wallace College was guest conductor of the band at the winter concert. On March 14, William D. Revelli of the University of Michigan conducted a clinic for the band and directed its members in a concert. Musicians from surrounding schools were invited to these activities. The band also entered the district contest at Kent.

The string section of the concert orchestra rehearses on Monday and Wednesday the second period and joins with the rest of the orchestra for practice on Tuesday and Friday. The orchestra furnishes music for plays, assemblies, and commencements, and enters the district contest in the spring. It also plays an important part of the program of the high school music festivals. In the December concert, the orchestra participated in two numbers arranged for band, orchestra, and chorus, and directed by C. W. Munk of Baldwin Wallace College. Few schools the size of Medina have an orchestra, and this is surely one of which Medina High students may be proud.

Medina Marching Band

Paving the way for some rousing good cheers the Medina High School marching band plays on. The members are distinguished-looking at any football game in their green and white uniforms. Their music is fine and the formations clever.

Never ask a band member whether he is busy at noon because every noon he can be found marching to the stadium or playing in the band room.

Whenever it is possible, its capable director, Mr. Vance O'Donnell, takes the band to help the cheering for M. H. S. football games away from home.

A great deal of time is spent on working out new ideas for formations. The formations vary but a large M is always put on the field at the half. With this the band plays "Fight the Team Across the Field" and then the Medina spirit swells. The job is hard and requires much time but still the band marches on.

Junior Band

CENTER FRONT: Joan Fenn, Betsy Nichols.
FIRST ROW: Pat Leidorf, Roger Smith, Deborah Dean, Caroline Anderson, Nancy Burris, Joan Anderson, Joyce Anderson, Barbara Hess, Lily Jean Baker, Roberta Leidorf, Pat McFadden.
SECOND ROW: Margaret Freeze, Naomi Thomas, Daniel Messenger, Daryl Koppes, Frances Linn, Beverly Pelton, Pauline Winebrenner, John Gill, Gilbert Davenport, Jean Anderson, David Jones, Laura Beat, Sally Szaniszlo, Flossie Gilbert, Jeannette Freese, Joyce Auker, Beverly Cruthers, Alfred Cruthers, Linda Eastwood, Teddy Teubner, Nancy Finch.
THIRD ROW: Bob Hyde, Andy Long, Daryl Few, Donald Frederick, David King, Joe Andrews, Pete Bohley, Mr. O'Donnell (director), Jean Nichols, Mary Catherine Houseman, Mary Casey.
NOT IN PICTURE: Ray Hinkel, Glenn Hendershot.

The Junior Band is composed of high school and junior high students. The players for the Senior Band are obtained from this band.

This band consisted of forty-five members, and was well instrumentated. Since it couldn't be put on a regular high school schedule, the band practiced every Monday night from seven to eight thirty, under the direction of Mr. O'Donnell.

The highlights of the year for the band were the two Rinkydink football games at which it marched, and the grade school concert in which it participated on February 26.

It is planned now that the Junior Band will start marching practice as soon as school starts in the fall, so it will be prepared for all Rinkydink games next fall.

THE STARDUSTERS play for high school dances all over the county. They travel by school bus to all the dances for which they play. Practice is held twice a week and special practices are called during school vacation. The band plays for noon dancing every Wednesday and after many of the home football and basketball games. All the members of the Stardusters play for their own enjoyment.
